Pursuant to a legislative requirement, GAO provided information on the Department of Defense (DOD) acquisition of its Composite Health Care System, specifically: (1) DOD testing of competing vendors proposed information systems; and (2) its contractor selection process. GAO found that: (1) DOD test plans and procedures properly and reasonably reflected its requirements; (2) the test workbooks permitted thorough documentation of test results for the thousands of evaluated requirements; (3) DOD followed the test procedures consistently for the three competing vendors; (4) the DOD selection process, plans, and procedures were fair and reasonable; (5) DOD appropriately documented the evaluation of vendors technical and cost proposals, test results, and performance during the demonstration test phase; (6) DOD corrected its earlier evaluation, documentation, and support problems; and (7) DOD properly awarded the operational test and evaluation phase contract to the vendor with the technically superior proposal and significantly lower costs. This item ships from La Vergne, TN. Paperback.
