## MUSCULOSKELETAL MEDICINE FOR UNDERGRADUATES

VDM Verlag. Paperback. Book Condition: New. Paperback. 96 pages. Orthopedics as a subject has been neglected since the inception of this subject in the undergraduate curriculum. However seeing an increasing surge in the number of musculoskeletal diseases it has been rightly given additional time and weightage. However, the subject being a vast one it becomes necessary for the medical student to have a concise yet desired understanding, the student is expected to learn everything about certain common conditions and some not so common orthopedic...
