Pub Date: 2003 Publisher: the marine basic information title: National Computer Rank Examination secondary Zhenti parsing - Vial Foxpro programming original price: 18 yuan Author: Shi Defen compiled Publisher: Ocean Publication Date: 2003 ISBN: 9.787.502.758.561 words: Page: Revision: Binding: Folio: Weight: Editor's advantage of Visual FoxPro is to provide users with a large number of wizard. builder. designer-oriented object programming support. allowing users relief from the previously tedious programming out. But precisely because of these advantages. makes Visual FoxPro learning up to have a certain degree of difficulty. In order to facilitate a better understanding of the majority of candidates in the basic concepts of this course is to consolidate what they have learned to master the test points. the authors modeled textbook promulgated by the country's new examination syllabus (2002) to write a book. The main line of this book to the analysis of the test questions. and combination of years of teaching experience. the whole of the main points of the exam. the difficulties of planning candidates through book learning. be able to take the test. The book is divided into three parts. each part its own unique features complement each other. complement each other. The book for the corresponding textbook supporting counseling book. it is in actual use. should pay attention to the following: first. in the process of learning the book. the book questions should first independently. and then with the corresponding answers comparative analysis. not rote answers or conclusions. but to understand the links between the various knowledge points and to do more. learn to think and problem-solving methods. which do learn by analogy. mastery; Second. due to program designed not only the procedures...
