Comparison with the three previous years is as follows: The following table shows the percentage of samples 18 per cent and less of butter fat: Table V. For the sale by resident dealers in the District of Columbia of adulterated milk, 123 cases were referred to the police court for prosecution, of which number 46 were prosecuted for the sale of watered milk and 1 for the sale of milk containing formaldehyde, the remainder being below standard. Collateral was forfeited in 107 cases, fines imposed in 9 cases, personal bonds taken in 4 cases, and 3 cases nolle pressed. Fines and forfeitures for the sale of said adulterated milk in the District of Columbia amounted to 696. Personal bonds were taken in one case where a driver had used a portion of a bottle of milk for his lunch and had sold the remaining portion to our inspector. The others escaped punishment because of their previous good record. The 3 cases nolle pressed were for samples purchased of storekeepers who proved to the satisfaction of the court that the milk had not oeen tampered with while in their possession, but was...
