Her life had suddenly come to an abrupt end at the age of 14. Instead of being surrounded by her family love, her friends and schoolteachers, Suzan found herself between a hard place and a rock. She had to get herself out of the puzzle to get hold of her farfetched dream of becoming a lawyer. A dream many of her peers had regarded as a mythological theory. To her, it was not going to be enough to be wistful, to yearn or hope. She wanted to strive to get what she yearned for! Adding more salt and paper to her wounds is Jenifer and Saziso, her classroom enemies, who cannot...
