The Tomb of Tut.Ankh.Amen: Volume 3 - the Annexe and Treasury: discovered by the Earl of Carnarvon and Howard Carter

By Carter, Howard

Duckworth, 2nd impression 2000 9780715629642, 2000. Soft cover. Book Condition: New. NEW paperback. 300 pages. 156 illustrations from photographs by Harry Burton and appendices by Douglas E. Derry. The tomb of Tutankhamun, uncovered by the fifth Earl of Carnarvon and Howard Carter in November 1922, was the greatest archaeological find the world has ever seen. Though entered by thieves in antiquity, the burial of the king lay intact within its nest of coffins and funerary shrines, surrounded by a mass of burial equipment arranged in three peripheral chambers. The Tomb of Tut.ankh.Amen: the Annexe and Treasury, originally published in 1933, is the third volume of Carter's magnificent trilogy describing the excavation of two of these store chambers, within which were gathered many of the boy-king's most splendid funerary treasures. An astounding adventure, described by the man who led the expedition. Objects discovered here include boats for the funerary voyage, slings and boomerangs, and magnificent statuettes.
