Reviews

*An exceptional ebook and the font employed was fascinating to read through. I actually have study and so i am certain that i will likely to read once again yet again in the future. Your life period is going to be change as soon as you complete looking at this book.

DERECHO PROCESAL DEL TRABAJO

Universidad de Las Palmas de Gran Canaria. Servicio de Publicaciones y Difusión científica, 2013. soft. Book Condition: New. Encuadernación: Rústica Colección: Manuales Universitarios de Teleformación: Grado en Relaciones Laborales y Recursos Humanos ; 11 La presente Colección de Manuales Universitarios de la Estructura de Teleformación de la ULPGC, responde a los contenidos de las asignaturas que conforman el Plan de Estudios de las Titulaciones que se imparten en la modalidad de Enseñanza a Distancia (EaD). En su diseño y elaboración se han considerado las habilidades y competencias definidas y aprobadas por las comisiones correspondientes para la impartición de la docencia universitaria en cada una de las Titulaciones y niveles de formación (Grado y Postgrado). Nuestro reto es utilizar el método adecuado en el proceso de enseñanza y aprendizaje, que va desde el control inicial a la orientación y mediación del tutor, para que el estudiante alcance la Autorregulación del Aprendizaje y se cumpla el objetivo final deseado: enseñar a aprender y enseñar a pensar, para saber hacer. En definitiva, se trata de capacitar a los estudiantes para que puedan desempeñar las funciones profesionales que se derivan de la formación universitaria en la que participan, tengan las competencias necesarias para resolver situaciones reales y aprendan a trabajar en equipo. Deseamos que este manual cumpla con la función para la que ha sido diseñado y sirva de herramienta apropiada para alcanzar las actividades y competencias definidas en cada materia. Fundamental será la mediación del tutor y la participación activa del estudiante, dispuesto a aprender para alcanzar la competencia personal, social y profesional a través de la Autorregulación del Aprendizaje Permanente.
