John Blake Publishing Ltd. Paperback. Book Condition: new. BRAND NEW, Pets in a Pickle, Malcolm Welshman, Foreword by Jim Wight, son of James Herriot and author of The Real James Herriot James Herriot became, through his writing, the most famous veterinarian in the world. Two things, to me, stand out as integral to his worldwide success as an author: his books are not just about vets treating animals, they are about people, and he writes about others, not just himself. Malcolm Welshman's book, Pets in a Pickle, is, too, not just a collection of animals stories. The author paints a vivid picture of many fascinating characters - human and animal - resulting in a most enjoyable and amusing read. The veterinary profession is one enriched by the most interesting and challenging situations, wherein the veterinary surgeon is confronted by a variety of unforgettable characters. Malcolm Welshman's experiences as a young veterinary surgeon, recounted in a most readable way, illustrate this very well. It is often said that vets have little interest in books or TV programmes about other members of their profession. It is regarded as 'old hat', revealing nothing new. I did not find this to be the case with this book. The author describes his early life in practice in a most entertaining way. The book is extremely easy to read and the text gives the reader a most enjoyable insight into the unpredictable but fascinating life of the veterinary surgeon. I wish this book every success.

----- \_ \_ \_ When Paul Mitchell arrives for his first day's work at Prospect House Veterinary Hospital, he never expects this. Oh his very first day, he is bitten by a feisty hamster. but this is a mere prelude to a cavalcade of hilarious - and often painful - encounters with fish, flesh and fowl....
