Reviews

*Undoubtedly, this is the best function by any writer. This really is for those who statte there was not a really worth reading. Its been written in an exceptionally basic way which is merely right after i finished reading through this book by which really transformed me, change the way i really believe.

Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Excerpt from English Sentence The material contained in this little book has been prepared especially to meet the needs of pupils whose native language is Spanish. The lessons of Part I were written for use in my own classes in the ninth grade of the University High School, to give my pupils a concrete understanding of the function of the various parts of a sentence and their relation to each other. Part II built itself through the years in which I corrected the same mistakes, chiefly due to idiomatic differences, made by pupils ranging from fifth graders to high-school seniors. I wish to thank Mr. Daniel R. Nase and Mr. Juan P. Blanco, General Superintendents of English of the Department of Education, for their kind and helpful reading of the manuscript, and Mr. Jose Padin, Spanish-American Editor for D. C. Heath and Company, who read both manuscript and proof. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books.
