

Feel: Robbie Williams

By Chris Heath

Ebury Publishing. Paperback. Book Condition: new. BRAND NEW, Feel: Robbie Williams, Chris Heath, The publication of Feel: Robbie Williams by Chris Heath in September 2004 caused shockwaves of controversy and delight. Not only was its publication trumpeted in tabloids, on TV and the radio, but it was also critically lauded by the broadsheets. Finally, a book had been written on the subject of celebrity and the modern world which had intelligence, honesty and humour. Written by Chris Heath, who spent nearly two years working with Robbie on this book, every word is imbued with Robbie's humour, charisma, talent, memories and complexity. But more than ever before, this book tells the truth about his extraordinary life. You may have seen his face a million times, heard his music every day, followed him from the beginning of Take That, but this is a man with some serious surprises in store. After years of rumour and lies, the complete, intimate story of Robert P. Williams had been written. This is a groundbreaking book.
