THE ETERNAL I, AND OTHER POEMS (CLASSIC REPRINT) (PAPERBACK)

Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Excerpt from The Eternal I, and Other Poems This little volume seems to assemble those traits of character which made up the interesting and attractive personality of Edward Jordy Graham. Artist and musician, it is not surprising that he expressed the thoughts of his versatile mind rhythmically. A thinker, deeply religious, building soul mansions each more stately than the last as his knowledge of the Infinite grew. Believing in, daily demonstrating and helping others to demonstrate the brotherhood of man. In the poems of Ideality his wonderful imagination has full sway. In the poems of Remembrance, the love and devotion he felt towards those with whom he came in intimate contact is clearly evinced. Of refreshing and entertaining wit, untainted by sarcasm, we find him writing in humorous vein. Born and reared in the Southland attended by a black mammy, it is natural that we should find among his poems those in dialect, which tell something of the mannerisms of the Southern negro, even while seeming to be fun-making at the expense of the modern projects which he himself espoused. It was my great privilege to have been numbered among those who knew and loved him best. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books.
