Brand New Book ***** Print on Demand *****.Dating, courtship, or whatever you choose to call the selection process for a life mate is not the same day to day relationship that a long term romantic relationship may evolve into over a lifetime. Unfortunately, for most of us, good looks, slim figures, great hair, perfect teeth, our best manners, endless energy and even taunt muscles only last so long. Wealth and health can change suddenly for the better or worst. Love, no matter how much you seek after it or how powerfully it pulls your heart strings, is often not powerful enough to conquer every emotional or relationship related issue. It takes courage to complete these exercises. It takes courage to tell the truth about how you really feel about an issue when you don t know how the other person feels about your answers. It takes courage to listen to every word spoken, to understand how another person you are thinking about spending your life with feels about the same topic, especially when you disagree. These short thought provoking questions were created to help you as a couple talk through the issues that, if left unchecked, could destroy your relationship...
