Brand New Book ***** Print on Demand *****.Excerpt from Tonal Phrase Book: A Systematized Arrangement of Material for Reading Music by Its Movement or Thought It will, however, be admitted that the attractive power of music over a community will be in the degree that its members will be able to supplement their instinctive feeling for harmony by at least a rudimentary knowledge of its notation. The practical question then, is this, if we are to conserve the general musical stimulation that already had shown itself before the war started, and which has been so vigorously accelerated by it, we must present some method of learning the notation that will be more economical of time and effort and give quicker results to the student, whether the student is a member of a community chorus or studying music in the grades of the schools. The speed work and phrase reading offered in the following books, is a contribution towards accomplishing this desired result. While the two types of work offered, speed exercises in notation, and tonal phrases, are here described together, they are independent of...
